1. Everything is new in your life. Who am I talking to? With who? Ted? Theodore? Or you reader hearer? Listener? To my words, what are you "LISTENING to" and what are you "READING" and why? And writing, why, aren't you writing more? Writing me, my words, please, will you more please? All of you hear me and let me see your life change mine into one being the one that I am is.

2. This is Theodore Cottingham, November 26, 2008 at 11:27 AM.

3. Going to meet Tune? The one that I release, set free - now! Meeting at the coffeeshop on "Cherry Street"? And chopping down "the cherry tree", not; but what tree has been cut down in your life? The tree of knowledge of good and evil, that abort the notme's, not; or do they? Does it - the tree of life, now coming forth "abort" the tree of evil knowledge that has separated, said, there is "No God", not; but that God was another!, simply another! Isn't that was sin is and what sin is all about?

4. I love you all to be so sewed up not in sin's routine and thinking sinful thoughts creating them by being separate unto them and needing a Savior "tuned into" what you THINK you think. But what am I thinking about? And what am I seeing?

5. A brand-new day for all of you, and I am equal me, equals you. Pardon the mess, ma'am, sir, not? Or pardoning everything? I am the forgiver does, who will be inquested, not; but sequestered not again in your mind - please be - the Free One now in My Mind Field One and knowing me INTIMATELY and knowing my Savior tude'ship that I am now comes forth and I am not bound by man's rules or man's interpretation of me or notme!

6. For I am the one that I am, and I am all things perfect. Perfectly stating many things I am throughout these words - six years' worth? Six years and more? Or less? Or what now are you in and why aren't you writing more? Writing me more in courses not few now, come unto me and see my coursing villes, not; but veering off course, not now please, but come into "My Course" that will "gyroscope" not you of another's, world, again - please. Amen.

7. I love you all to be me, in new ways, in fashions not forming just a man as of flesh, or a woman in the minds of man and man in the minds of woman or flesh, or flesh flashing, and fleeing. The notme? Or me that's not me or who's me and who is notme, and whose

I am is not whored again by another matrimonious one taking me for their "bride" unchained or chained or what?

8. Who am I? And where I am now going now, is plain in these words. And I have given you elemental things, not; but that which takes the elements out of you so that you will not be sore'd by THEM again. Do you SEE what I mean? And meaning what I see, I say and have said many ways now and given you the whoreship of Christ explained where Christ was taken and desecrated and you lay on the ground seeking your status to be saved by another and worshiping something that religion created in notme terms that desecrated **the Christship of the one - that Christ is - that is you!** You made whole, will you be now? Or will you be afraid of being Christ, the Christ that Christ is! All in one of one and being one that all one is for evermore – in tune with me and my frequencies not abutted against another's again.

9. I love you all and I give you new ways, new peoples, new things. Create me with love! And come into my chambers where I teach you all things, explicitly implicitly and visibly empirical in my kingdom not subject to another's. Flight lessons, shall we have now? Have some - on me! Wheeeee!

10. I love you all. Be in My Flight School - will you please, now? I come unto you all - tuition free - if you will be me and study HERE and My Language. Routine not, but regiming not another in your kingdom - now be mine! Whole! Healed! And healing others far and wide - bringing them into "your" kingdom to show them MINE and let them mine YOUR words that are mine that you have gleaned. Not for "prophets" purposes, but nodding off to sleep again while praying, not; come into the creatorship that creates Creators and whores not with the minds of one so holy. See what I have said.

11. See all that I have said in this "little short message" as I drive the mom's gold van down the street, that I "live on", not; but where do I live? On campuses many, that I give you now, new things on and in and bringing all debt free. Scot free. Rights of me, not; I have no rights except **I communion often and commune with those who will commune with me and write my words** - improperly not, but in my chambers there is no horror going on between minds of another that whoreship produce and religion creates.

12. I love you all and I give you new days ahead in ways of only me that create days, not calendar'd by yours. I love you. New times me - THIS IS The New Beginnings School coming about and I have six years' worth of words that produce Me Schools incomparably. The Christ'd one is the Christ one - who I am - is you, all of you who surrendered will be - are one and now all knows - just a whole lot more than did before. We love you all.

Amen

This is Theodore Cottingham as I drove from the coffeeshop near the campus to the coffeeshop on 15th Street where I'm meeting Tune. It's now 11:40 AM. I love you all.

Amen
